

Newport Trophy Regatta

Appendix 1.

COURSE DIAGRAMS

Note the presence of a windward offset mark.

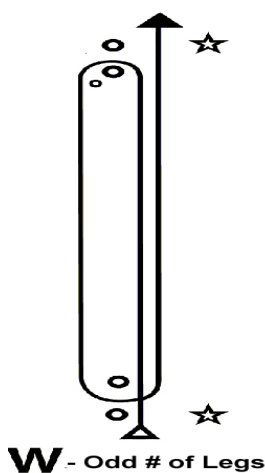

The distance between the windward and offset marks is not a separate leg of the course.

A course designation of W 3, for example indicates a course of 3 legs : windward-leeward-windward.

A course designation of W 4, for example indicates a course of four legs: Windward-leeward-windward-leeward.

If a gate mark is to be set, Flag “G” will be flown on the Committee Boat before or with the warning signal.

If the race committee is unable to maintain the gate, competitors shall round the remaining mark to port.

Gate
